

## **Tidewater Quilters' Guild**

### **Tidewater Quilters' Guild Quilt Show Challenge**

**We have a challenge for you! There will be a special exhibit/category at the Tidewater Quilters' Guild Quilt Show this year. Wouldn't it be great if everyone joined in and entered to participate.**

This is a TEAM challenge comprised of two quilters. Each team quilter makes two (2) 12 ½" unfinished blocks. Your team selects 1 fabric to be used in all 4 blocks. Each block must contain no less than 10% of your chosen fabric. The blocks can be traditional, modern, improvisation and/or appliquéd. When sewing the 4 blocks together sashing may be used. Your completed quilt should measure 24" x 24" and must be faced (no binding) and also must include a sleeve.

**A Zoom workshop will be offered to teach how to face a quilt.**

You can enter more than one collaboration. Pick another quilter to make another project as many times as you'd like.

The fee for registration is \$5 per collaboration, not per person. So pick your partner or partners and challenge yourselves.

**For any questions regarding the Quilt Show Challenge, please contact Susan Newsom (757)943-0695 or Millie Johnson. Here is a sample of Susan and Millie's collaboration.**
