Sally Schneider’s Built-In Borders Workshop

Wouldn’t you love to make a quilt with a pieced border? Too much math? Too hard? Sally has a new way to make these quilts that she is eager to share. Learn her secrets of making borders by using specially designed blocks and diagonal sets, and some of her new piecing tips that will make your sewing so much easier. In the first part of the class, we will examine how several (about 10) of these borders are designed; in the second part, we’ll begin construction of the quilt shown above with a twisted ribbon border.

Cost -\$35.00 for TQG members
after 7/12/10, cost will increase to \$40.00
