

FABRIC EXCHANGE

Strips: Use 100% quilter's cotton fabric. Do not wash, do cut a straight edge. From one yard of fabric, straighten edge and cut fabric 2½" wide strips from selvage to selvage. You will get 14 strips approx. 45" long. Place strips in plastic bag with your name, TQG #, and phone #. Follow the theme for the month, turn in at each monthly meeting, and you will receive a variety pack of that theme the next month.

Fat Quarters (FQ): Use 100% quilter's cotton fabric. ½ yard of fabric cut in half perpendicular to the selvage resulting in a piece 18" by half the width of the fabric. At each meeting there is a drawing for fat quarters amongst those who submit them.

6" Squares: Use 100% quilter's cotton fabric. Wash, dry and press ¾ yard of fabric. Straighten edge and remove selvages. Cut 24- 6" squares, place in a bag with your name, phone #, and TQG # on the outside.

Month	Day-Strips 14-2½"	Day-Fat Quarters	Night-Strips 14-2½" & FQs	Night-Squares 24-6"
