PRESIDENT'S CORNER

Greetings,

I am just back from the Manteo OBX Community Quilt Show. Smaller than previous shows it was still a lovely group of quilts. There were 3 Tie quilts that were very different. Pieced and appliquéd quilts with traditional and modern styling. Makes me realize how important it is to enter quilts in our show in June. I am urging several friends to show group quilts. Now is the time to get these beauties ready for the show. Beginning and advanced quilters have wonderful quilts to show. Just because you may be a beginner don't shy away from entering your work.

April is the month for Spring Fling. I hope you have signed up for a class. This year the team is working hard to give you Breakfast and Lunch and terrific classes. I will be there helping the team so I'll see you at the door.

☺

Have a great Easter

—Betty

Diane Bennett will have the quilts that were displayed at the Mancuso Mid-Atlantic Quilt show at the Day and Night Chapters on

Monday. Please come to one of the meetings to claim your quilt.

Things to try

- Simple patterns such as Log Cabin or Courthouse Steps as a loose guide.
- Repeated colors or patterns in different parts of the quilt. This unifies the design.
- Be aware of contrast. Different values will create more movement in the quilt.
- Trim at angles to create more movement in the quilt.

Mix genres: Modern with traditional. So

(DAY Chapter, continued)

Linda DiGiosaffatte. Fearless Quilting. Definition: made without any pattern or foundation.

- Wonky is where it is at!
- Some tips: any planning can involve color as theme or like fabrics, sort stash by size and color, use smaller pieces first, use embellishments, use Internet for inspiration, randomness of how this is sewn together makes the design, can make the quilt any size, diagonal lines can add interest.
- Linda had a number of quilts to show as examples.
- The presentation ended with a drawing. The winner received a number of quarter-square triangles as a starting point.
- The challenge: make an improvisational quilt within two months.
- **The April program** is called "A Little Bit of This/ A Little Bit of That". Supplies needed listed below.
- Also see newsletter for upcoming programs.
- **Linus:** Collier Webb gave an update on her improvement from a bad cold for which we are all grateful! She also gave the next sewing date for the sew-in for 3/19.
- **Show and Tell:** a very large number of beauties on display this month. What a talented group!
- **Patterns:** There are a lot of patterns available for purchase.
- **Library:** Everyone has been turning in their borrowed books in a timely manner. Collections are being rotated. Next month their will be a new set of books available.
- **Magazines:** \$0.25 each or 5/ \$1.
- **Scrap Table:** very active. Don't forget to check it out.
- **Membership:** Ann Walls was present to accept new members as needed.
- **Caring Corner:** Jo Corso's mom had a stroke and is in a coma at the time of the meeting. Our thoughts and prayers are with Jo and her family.

PRIZE WINNERS:

FQs: 9 FQs shared by Joyce Guster and Marilyn Mendelson. **Block of the Month:** 21 blocks won by Gene Ann Hall. **Lucky Buck:** 16 blocks won by Alice Hinch. **Door Prizes Winners:** won by Vivian Webb, Mary Hormel, Joann Samson, Elaine Page, and Cindy Shinault.

We had 80 members in attendance and 4 guests. We celebrated our March birthdays with the birthday song and reminded celebrants to pick up a free magazine.

Announcements:

Diane reminded the members that all positions for the Night Chapter Board need to be filled. If interested in becoming more involved see any of the current board members.

Member Pam Traynum announced that the postponed event with the Girl Scouts and TQG to make infinity scarfs for the residents of St. Mary's Home for Disabled Children, has been rescheduled for December. She is hoping to get a sooner date and will keep us informed.

The Colonial Quilt Lovers Guild is having their 2016 Day of Sharing on Saturday, April 16 at 10 am, registration starts at 9:30. It is being held at the Corinth Baptist Church in Elizabeth City. Guest speaker is Michelle May of the Raspberry Rabbits (www.theraspberryrabbits.com). All are invited to this fun day of food, fellowship and lots and lots of quilts! RSVP by April 1 to Carol Cooper at 252-426-5395 or email to carolc@embarqmail.com.

Nancy Long, First Vice-President, reminded us that **Spring Fling is scheduled for April 9th, 2016** at Bethel Baptist Church. Kits for raffle quilt blocks are sold out but if members are interested they can give Nancy their name, address and \$3.50 and the kit will be mailed to them. There are still open classes available.

Pat Carney, Second Vice President in charge of national speakers, announced that **Cindy Simms will be here in April** to present lectures at the Day and Night Chapter meetings as well as teaching a workshop on the Mariners Compass. She had sign-up sheets available at the meeting

June 13th is deadline for entry in the challenge. Total perimeter cannot exceed 144 inches. Winners will be selected by Viewer's Choice and there will be both first and second prize winners who will receive \$75 and \$50 Visa Giftcards.

Next, Charleen Freeland, Night Chapter Programs, introduced our speaker for the evening, Pam Traynham. She presented a very interesting program on what a judge looks for in an award winning quilt. Some of the things we gain from entering our quilts in a judged show:

1. Knowledge
2. Validation
3. Recognition

She encouraged all of us to put a quilt in our upcoming guild show-we would not have a show without them.

After break we resumed our meeting, and the following members were lucky winners: Embroidery Block of the Month winner of 12 blocks was Yvonne Mettert. Block of the Month winner of 25 blocks was Dot Coleman. Lucky Buck winner was Chris Walker, winning 20 blocks.

Door prizes were won by Mary Lynn Slough, Faye Hannah and Paula Langdon.

We finished up with our very popular Show and Tell, one of our favorite parts of every meeting.

Upon reading the rules, if you have any questions or need clarification please contact Karan Fisher, Debby Coleman, Jane Ann Snyder, or Ann Walls. Their contact information is on the rules brochure and in the TQG roster. When you register your item for entry, please consider having your quilt or wearable entered for judging.

Registrations deadline is May 20th, so let's all get busy and send in those registrations.

Please know that to submit your registration, you will need to attach a photo of the item being entered and the item you are submitting doesn't have to be completed, it just needs to have the top or wearable finished enough so it can be recognized in the photo. **When you turn in your item to the show is when it has to be completed.**

We will gladly take them and make them available to go to a new home. We are also in need of containers (i.e. baskets, decorative tins, decorative boxes or plastic containers or bins, etc) to use to "kit up" items for the Silent Auction. To donate your items to the Silent Auction, please contact Alexis Gardner, Faye Hannah or Nancy McLaulin. Their contact information is listed in the TQG Roster.
