President's Message

Hello again, I hope you are all had a wonderful Christmas.

With the New Year comes exciting plans. We have been invited by the Joint Use Library (which is situated out at S. Rosemont Road) to exhibit our quilts during February and March.

I have been lucky enough to tour the facility several times and it is a fantastic space. The library was built about 6 years ago and is available for the public to use as well as the students at TCC. We can hang quilts throughout the library in a variety of spaces so will need an assortment of sizes and styles.

I encourage you to consider whether you have a quilt which could be hung at the library for 2 months. Perhaps

one that has already been to Mancuso and deserves to be seen again by a new audience.

We will be hanging the exhibition on January 31st so will need to collect the quilts at the January Guild meetings. If you think you have a quilt you would like to be considered for the exhibition, please go to the website under Special Events where you will find the registration form.

[\(Also on page 17\)](#)

This is a wonderful opportunity to showcase our Guild to a huge audience so I hope many of you will be putting quilts in the exhibit.

Saturday Guild

Dear All,

We ended the year 2019 with a bang! Phyllis Hatcher presented a wonderful program about clues to help date quilts that do not have labels. I learned so much. I had not considered the fact that not every color of dye has always been available. It was a real treat to see some well-loved quilts that our members own, as well as some excellent examples of antique quilts brought by Phyllis herself. Phyllis is a truly lovely woman. I feel so privileged to have met her and really appreciate her coming to speak to our guild. If you did not have a chance to see her last month, please consider attending her 3 hour workshop on Thursday, Feb 27, 2020 at the Mid Atlantic Quilt Festival. Information can be found at www.quiltfest.com. Select Mid Atlantic quilt show under Upcoming Events tab, then select the workshops tab to find her class.

Just as we ended 2019 with a bang, we are going to celebrate the beginning of 2020 with just as much fun! It is time to start fresh, reflect on the past year and try to make 2020 an even better year. Come celebrate with us by sharing some great food, play some fun games, and connect with fellow quilters. I am requesting that everyone bring a small dish to share. Last names beginning with A-L bring a finger food, and M-Z bring a dessert. Also

bring a FQ in a shade of blue to play in a really fun and simple game. Everyone that brings a FQ will leave with a FQ, just not your own. Other prizes will be awarded during our games.

Spring Fling – We are gearing up for our annual Spring Fling event in March. Part of the event is a quilt block raffle. Kits are already cut and ready for some easy sewing. The sewing is easy, but the design is very dynamic. Kits will be sold at all chapter meetings, starting in January, while supplies last. Each kit is \$3 each or 2 / \$5. Samples will be shown at meetings. Please bring small cash if you would like to participate. Registration will also open for classes. These are first come, first served, and classes fill up fast. Forms will be available at the meetings, and can be returned at a later date, but if you want the best chance of getting your first choice, I recommend that you bring your checkbook and turn in your registration forms as soon as possible.

I wish everyone a wonderful holiday season, safe travels and good health. See you all in the next year.

Sincerely,
Christie Prenger,
Saturday Coordinator

Ann Lockler and Sara Crusser continue to liven up the Pattern Sales with their "buy a pattern, make the pattern" and submit for a prize. They offered several prizes.

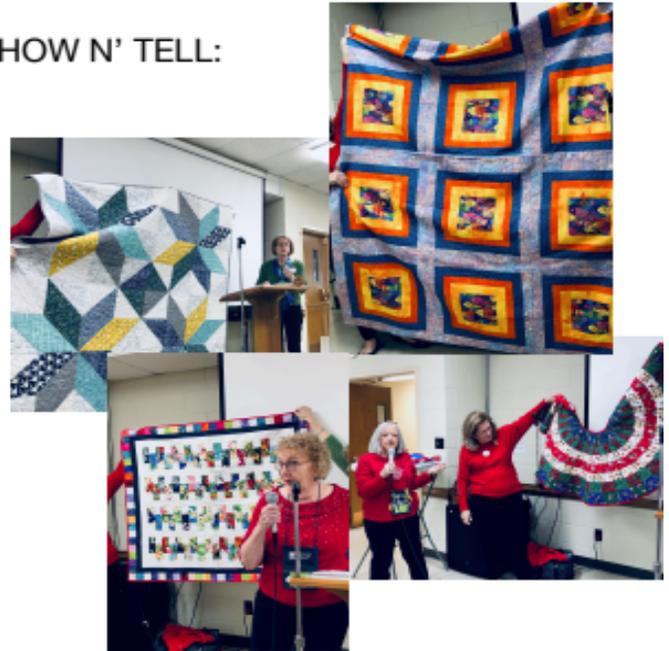

IT'S TIME TO VOLUNTEER TO BE ON **THE 2020 NOMINATING COMMITTEE**. Anyone in the membership, including all the Leadership Ladies EXCEPT FOR the elected positions: Coordinator, Secretary, Treasurer may participate.

Night Chapter

Coordinator:

Happy New Year! By the time this is received and read, we will be just shy of 2020... WOW! A new decade begins.

Thank you to everyone for making the December Party such a wonderful time. We had a great array of yummy food to eat (so much for healthy eating), great fellowship with other quilters and lots of fun. Thank you to Wendy Barrett who showed us how to make a cute Star ornament and then gave away Santas, Christmas trees and ornaments that were on each of the tables to everyone who wanted one. I do apologize though for us not having the sound system available. We all did our best to make ourselves heard.

With the start of the New Year comes lots of new fun! Our program in January is going to be "First Quilt, Last Quilt." If you would like to participate, please bring the first quilt (or one that you made very early on) and one that you have made recently (or perhaps are working on). We will have a show and tell where each of you can tell what the first quilt was you made, when, etc. and then your latest quilt. We want to know about things you learned along the way i.e. how to cut correctly, color choosing, quilting differently, etc. I think it will be great to see how everyone's talent has developed... and for any newer quilters at the meeting they can see and learn new things as well.

Then we will be having some sign ups in January as well. We started the signups for our next Mystery Quilt at the December meeting. We will have the sheets available again at the January meeting. If you know that you cannot make the January meeting, but you want to participate, please email me at li-sa.frieman@yahoo.com and I will add you to the list. We will be handing out the first set of instructions in February. We cannot email instructions - they will need to be picked up at the meetings each month.

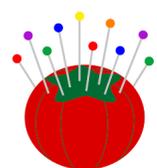

Along with the Mystery Quilt, we will be having two Challenges that you can sign up for. One will be for a UFO Topper Challenge and the other is a UFO Challenge. [More information on page 13.](#)

Each year, most people set New Year Resolutions and I think that Quilters are no different. Instead of "Resolutions" I have decided to make a list of goals (I find that if I set "resolutions", I just stop after a couple months if I even start at all). I haven't worked out details, but I know that I want to make a goal of a certain amount of time each week spent on quilting projects, goals of projects I want to complete and finish, purging of all the places I have stuff stashed, just to name a few. May each of you have a 2020 goal list and maybe the Challenges will help to meet them! Happy Quilting and Happy New Year everyone!

UFO Challenge-for a UFO to be considered complete, it must be pieced/appliqued, quilted and bound. If it is not a quilt, then the item must be ready to be used (i.e.-vest, bag, rug, etc.).

Forms for each challenge will be available at the January meeting. They are due back at the February meeting. Each challenge will give up to 5 projects to sign up for-minimum of 3. For each project you plan to complete-you need to bring \$1. So, if you sign up for 5 projects, you will turn in \$5... if you sign up for 4 projects, you will turn in \$4... and if you sign up for 3 projects you will turn in \$3. We will give you the bottom portion back, so you have a copy of your projects and know what you plan to work on.

Your first project will be due in March. To show the project you will need to show it to Wendy or myself. You will receive credit for that month in the form of a receipt. Then show your project at Show 'n Tell for everyone to admire. For each month that you complete a project you will be returned \$1 at the end of the 10-month program and will be entered into a drawing for money that was forfeited.

We will show projects in March, May, July, September and November. November will be the month that people get their money back. In December we will hold a drawing for the forfeited money. We will have more details at the January meeting and will also put out again in February newsletter when we remind everyone to bring their sheets back.

So, start thinking now of projects that maybe you were thinking about but just didn't have motivation to finish!
